WEEKLY BULLETIN

Friday 10th May '24

## MESSAGE FROM THE HEAD

With the sun shining outside for the past few days, it is starting to finally feel like summer. With this in mind, we will be aiming to get the children outside in the nice weather as much as possible. As the temperature gets warmer, I would appreciate it if parents can remember to pack a hat for their children and put some sunscreen on them before school. I am happy for children to wear sunglasses in the playground, but please remember that the children are responsible for looking after them as they are the kind of item that is easily broken or lost.

Herts For Learning Education have produced a Summer online safety newsletter for parents and carers. It covers areas like the change in minimum age for whatsapp, a guide to snapchat and some other useful information. You can find the newsletter here: <https://hfleducation.us11.list-manage.com/track/click?u=7d6fcb246cec21ca6619587e0&id=b16ca631d7&e=cd5db09414>

A few thoughts on lunches and a reminder about nuts. Please be mindful that we do have some children (and staff) who have serious nut allergies. Nutella is a common one that we find slips through, but they can be found in a lot of different products. Please help us continue to be a nut free school as best you can.

Next week the children in Year 6 are taking the National Curriculum Tests (otherwise known as SATs). While we hope that the children do well and show what we know they are capable of, we also want them to remember that they are, and will remain fantastic, kind thoughtful young people, regardless of what happens next week and in a few weeks time they won't understand what all the fuss was about.

Have a lovely weekend!

Warmest wishes,

Mr Smithard
