WEEKLY BULLETIN

FRIDAY 1st JULY 2022

MESSAGE FROM THE HEAD

This week I have had the sound of music floating into my office, with the children practicing a range of songs for the upcoming performances.

Both Year 4 and Year 1 performed their sharing assemblies this week. It is always great to see the range of work that the children have been doing in class. While I was able to see the Year 4, I was sorry to miss the year 1s but Miss Porteous tells me that they did extremely well. Congratulations to all of the children who shared their work and thank you to the teachers and Teaching Assistants for putting the assemblies together.

We have our open evening coming up on Wednesday 13th July between 6 and 8pm. I give the children and staff the opportunity to show some of the lovely work that the children have been doing. We would love to see lots of you there.

This week we had the vote for our next parent Governor who will be taking over from Clare Sayce who has decided to step down this year.

Inform you that The winning candidate was Nadine Farrar-Hockley. I am sure that she will be an excellent addition to the board and will have a positive impact on supporting the school. Thank you to all the candidates who put themselves forward and to everyone who voted.

Tonight is the ALSA ball. I have worked in a number of schools but the effort and dedication that ALSA put in to supporting the school is exceptional by any standards and should be really celebrated. Thank you to everyone involved. The support you give makes a huge difference to the school and is really appreciated. With your support a new climbing frame for the children is looking increasingly likely this year.

And finally, we seem to be developing a large pile of lost property in the foyer. If you are missing a jumper (or two), please take a look or ask your children to check the box. I realise that this message gets said a lot, but please name your children's clothes. With 200 plus children wearing the same uniform, unnamed items are very difficult to reunite with their owners.

Young Sherlock Holmes: Black Ice

By Andrew Lane

Recommended by Oscar Y6

“I love this book because it has an adventurous storyline. Sherlock Holmes is very descriptive. I would recommend this book to children who want a bit of thrill”

MESSAGES FROM THE OFFICE

Lunches

There are still children who don't have a meal pre-ordered. This has a knock on effect to not only Zena, our cook, but to the MSA's in the dining hall and the other children lined up. Please ensure you have pre-ordered all of your children's meals either weekly or termly. Thank you.

Gateway

There are a number of outstanding contribution requests on Gateway for workshops/trips etc. Please make sure you are up to date. Without your continued support we will be unable to plan these activities in the future.
