CREATIVE • CURIOUS • CARING

WEEKLY BULLETIN

Friday 20th December '24

Dear Parents & Carers,

This week began with Electric Umbrella entertaining the children with a festive concert. They are a charity that support children and adults with special needs through music and always put on a great performance.

We have also had lots of Christmas parties this week, with the children playing games and enjoying some food.

I do have some community news that will have an impact on the school over the next year. UKPN are upgrading the Electric Substation on Drovers Way. The current substation is at the end of its life so the work is needed to ensure power to the centre of St Albans. What this does mean is that they have to remove part of our wall to do the work and as a result cordon off some of our playground. This

means that the main climbing frame is out of action for most of next year. While this is a bit frustrating, it is necessary work that needs completing. I will update you as things progress or if anything changes in the new year.

Thank you from all the staff here for the generous gifts we have received. We hope you all have a fantastic holiday, relaxing Christmas and Happy New Year and look forward to seeing everyone back, safe and well On Tuesday 7th January.

Warmest wishes,

Mr Smithard

St Albans Foodbank

For many families around Christmas time, it can be a struggle.

The school can issue weekly vouchers for those families who need some extra support over the school holidays.

Please email the school office or pop in to speak to us. We treat all requests confidentially. Alternatively contact sbm@aboyne.herts.sch.uk

For more information about the foodbank, opening times and what they do visit their website at <https://stalbandsdistrict.foodbank.org.uk/>
