## MESSAGE FROM THE HEAD

Welcome back from what I hope was an enjoyable and relaxing long weekend for you all.

This week we have had bumper success in the St Albans District Sports competition. We have worked really hard over the past three years to develop our sporting offer and it's great to see us winning trophies as a result. Aboyne took first place in the Year 4 shuttle relay and the school's points trophy, as well as the girls overall winners trophy. Impressively, we won the main event with the children taking home the winner's shield for the overall combined boys and girls event. Very well done to all the children who tried out, and those who competed on the day. Thank you to Mrs McNaught and Mrs Hobbs for all of their hard work..

In Year 6 this week, the children took part in a micro:bit work shop. Micro:bits are small programmable devices that enable the children to do practical, hands-on coding for a variety of devices. The aim of the day was to complete a mission to design a program preventing a diamond being stolen. The children had a fantastic time and it was lovely to hear the trainers speak so highly of the children and their work ethic.

Congratulations to the Year 4 children who took part in the World Games participation event and the sports ambassadors who supported them. It looks like they all had a great time.

Lastly, we have had a yellow heat warning from HCC for Tues – Thurs next week. Please remember hats and sun cream for when the children are outside.
